

MAINTENANCE PLAN GUIDE

Take care of your vehicle's wear-and-tear and service items* in one go

We are
Motus

What is a Tata Maintenance Plan?

The Maintenance Plan includes the replacement, maintenance or repair of specific wear-and-tear parts, when necessary.

The Maintenance Plan runs for a set period of time (e.g. 3 years) or for a fixed number of kilometres (e.g. 45 000 km), whichever happens first.

To ensure your plan stays intact, service your vehicle as per the Tata specifications at approved repair facilities.

*Maintenance plan upgrades do not pay for services provided for by your OEM plan or current existing plans.

What is wear and tear?

Wear and tear is a term used to describe the gradual physical deterioration of various parts of the vehicle. Wear and tear happens naturally and is inevitable as a result of normal use and ageing.

How do you benefit?

This plan includes Tata specified services and parts

- Only qualified technicians who use genuine Tata parts will service your vehicle
- Cost of the plan is added to your vehicle finance agreement and is paid as part of your monthly instalments
- 24/7 roadside assistance

What does a Tata Maintenance Plan provide for?

Service components

- Belts - accessory belt, cambelt (only if specified in the Tata service schedule)
- Filters (oil, air, pollen, fuel)
- Oil & lubricants (engine, coolant, transmission, brake & clutch, differential)
- Spark plugs
- Sump plug gasket
- Tensioners & pulleys (only if specified in the Tata service schedule)
- Workshop consumables (maximum of R100.00 excl. VAT)

Note: Maintenance plan upgrades do not pay for services provided for by your OEM plan or current existing plans.

Maintenance components

Replaced on normal wear and tear as per Tata specifications

- | | |
|---|---|
| • Air conditioner (compressor only, regassing only on replacement) | • Fuses and globes (excl. xenon and sealed units) |
