## What is a Tata Service Plan?

The Tata Service Plan takes care of your vehicle's scheduled services as well as replacement of fluids and parts.

The Service Plan runs for a set period of time (e.g. 3 years) or for a fixed number of kilometres (e.g. 45 000 km), whichever happens first.

To ensure your plan stays intact, service your vehicle as per the Tata specifications at approved repair facilities.

## How do you benefit?

**This plan includes Tata specified services and parts**

- Only qualified technicians who use genuine Tata parts will service your vehicle
- Low monthly payments that can be added to your finance deal
- 24/7 roadside assistance

## What does a Tata Service Plan provide for?

- Belts (accessory belt, cambelt) - only if specified in the Tata service schedule
- Filters (oil, air, pollen, fuel)
- Oil & lubricants (engine, coolant, transmission, brake & clutch, differential)
- Spark plugs
- Sump plug gasket
- Tensioners & pulleys - only if specified in the Tata service schedule
- Workshop consumables

## Your vehicle qualifies for a Tata Service Plan if it:

- Has travelled less than 250 000 km
- Is less than 10 years old (calculated from date of first registration)
